April 9- Vaisakhi Celebration and end of Term 3

Discussion

Course Selection- Feb. 18-28 Please ensure that your child(ren) select courses they are serious about taking. These numbers are used to build programs, and often times there is very little room for changes in September. Your child may be disappointed if they need a course change and the school cannot accommodate it.

Construction- There is construction happening all over the school. Interior and exterior. This is happening while school is in session, so there may be room changes to accommodate construction.

Closed Campus- Admin and staff are considering having a closed campus for all students in Grade 9-Grade 11. This would mean students in those grades are not allowed to leave the school property, unless they are going home for lunch. Grade 12 students would still be allowed to leave. This is being discussed due to problems that are happening at the Apollo complex and surrounding stores.

Language in the Hallways- Admin and staff would like to remind students English should be the only language spoken at school, both inside and outside the classroom, other than in specific language classes such as French or Punjabi.

D. Treasurer's Report

Gaming funds – BALANCE: \$14 720.63
one cheque has cleared

Business acct: BALANCE: \$2 915.93

E. DPAC- position still vacant. No report.
